

she makes me sweat
she keeps playing with
my thermostat

the butterfly
floated across my windshield
like it was playing with me

gloating

what do you think i am
some dumb bug
that would fly straight into you
and die

then it rested
on a web

until it
got away

nothing hurts like cupid
accidentally shooting you in the eye
every single day

the old black man,
with a chain and a bike,
to a little black kid

"if you can't say nothing nice to me,
just don't even talk to me"

knowledge
for the youth

i laugh
black women get mad
at other women
for doing the same stuff they do
and women get mad at men
for doing the same stuff they do
and men get mad at women
for doing the same stuff they do
i laugh

but how funny is it?

a question in
five words

how can i see you?

some rock em red
some wear em blue
they were all white
when blacks couldn't play too

a helping hand
is as near
as your elbow
a second one
is by your
other elbow

the only undercover
cops cops shoot
are the blacks

award shows are contests
to see who can suck
their own dick
the best

the rulers of the free
world get mad when
you add a little
chocolate
to their
milk

when did popeyes
chicken become a
black-owned
business?

eruptions
hurricanes
wildfires

the earth is saving itself from us

great thinkers
never die
they're
assassinated

slavery didn't end
it evolved into
a nastier beast

to them
it's purgatory
it's prison

to you
it's a pet store

i hear the train
coming for me
saying
loud and proud
you have more to see than
a room
a city
a state
a coast
i can show you
or
choo choo

the natural predators
of civil rights leaders
are bullets

no man has ever brought
more people together than

adolf hitler..
jesus christ

the guys that give
unsolicited sup headnods
are usually pretty cool

zoos and museums
promote imperialism
through preservation

if you think about it
black republican home owners
are some house niggas

my spirit animal
i wonder where it is
i wonder what it says
i wonder if it likes me

the warmest place
is a face
about ready to smile

some take note
others take worthy
few are note + worthy

if you hate all flies
you probably hate butter
and dragons, too

you could care about care bears
and not care about bears
but then you'd care about stuffed bears
and not care about tough bears

the coldest swirly
does not come from a toilet
it comes
from speakers
blasting
ice cream
ice cream
ice cream

fire in your eyes
can burn and scold
or warm

father time
& mother earth
always fight
and it's all love

they said
change into
better clothes
so you flipped your
underwear inside out

the sun is jealous
the moon is closer
to earth
